

3rd August 2025

August Insights

International Youth Day – August 12

Celebrated annually on August 12, International Youth Day recognizes the voices, actions, and impact of youth across the globe.

This year's theme emphasizes youth innovation and sustainable development. It's a celebration of young minds as change-makers, reminding us of the vital role students play in shaping a better tomorrow.

Quit India Day – August 8

Quit India Day, observed on August 8, commemorates the launch of the Quit India Movement in 1942 by Mahatma Gandhi. It was a pivotal call for India's independence from British rule, uniting the nation with the powerful slogan "Do or Die." The day reminds us of the courage, resilience, and unity that fueled India's freedom struggle and continues to inspire generations to uphold democratic values and national integrity.

Inspiring Beginnings: S1 MBA Induction Program 2025

The Christ Institute of Business Administration welcomed its new batch of S1 MBA students with an engaging Induction Program on 1 August 2025. Held at the MBA Seminar Hall, the session featured Ms. Sujatha Santhanam, an ICF-certified leadership coach and communication facilitator. Her inspiring insights set a strong foundation for the students' academic and professional journey. The full-day event encouraged growth, clarity, and confidence among the budding business leaders.

Welcoming the MBA Batch of 2025–27 with a Warm Induction

Your We are delighted to announce the successful commencement of the MBA 2025–27 batch with a thoughtfully organized 4-day induction program. A heartfelt thank you to Fr. John Paliakkara, Fr. Milner, Fr. Jojo, Manoj Sir, Sajeerv Sir, and Sijo Sir for their unwavering support throughout the admissions journey. Special appreciation to Dr. Sagini and the dedicated admissions team—Raji Miss, Jeni Miss, Ann Mariya Miss, Resma Miss, and Keerthana Miss—for their tireless efforts in outreach, coordination, and follow-ups. Your hard work made this possible!

CSE Stars Secure Prestigious Internships at DEAL, Dehradun

We are proud to announce that Bisty Bijoy and Sneha Joby of S7 CSE have been selected for internships at the Defence Electronics Applications Laboratory (DEAL), Dehradun. This prestigious opportunity reflects their hard work and dedication. Congratulations to both for this outstanding achievement! We wish them continued success as they embark on this exciting journey in the field of defence electronics.

ECE Final-Year Students Land Prestigious Internships Nationwide

A moment of pride for the ECE Department as five of our final-year students received paid internship offers from leading firms across India. After successfully clearing multiple technical interview rounds, these students secured positions at DRDO Delhi, RFMW Hyderabad, NPOL Kochi, and DEAL Dehradun.

Congratulations to:

Nandhu, Aswathy, Irin Shoby, Telma, and Migna.

Special thanks to our dedicated faculty for their mentorship and constant support throughout this journey!

Insightful Session on Automotive Product Design Career

The Department of Mechanical Engineering conducted an Industry Interaction Session titled “Roadmap to Automotive Product Design Career” on 29 July 2025, exclusively for S5 & S7 Mechanical Engineering students. The keynote speaker, Mr. Satish Ullattil, Co-Founder & Technical Consultant at Leameng Solution Technologies, shared valuable insights on design processes, industry expectations, and career opportunities in automotive product design. The session offered students a practical perspective on building a successful future in the automotive domain.

MBA Students Present Field Study to KSE Ltd. Board Members

MBA 3rd Semester students had the unique opportunity to present their field study findings to the Managing Director and Board Members of KSE Ltd. This marked their first-level presentation, where they showcased preliminary insights and research outcomes. The students received valuable feedback and suggestions for further data collection. With their final presentation scheduled soon, this interaction served as a great learning experience in corporate communication and applied business research.
