AGENTIC AI

PRODUCT BUILD SPRINT

Research • Build • Iterate • Present

Not Just a Hackathon. A Product Journey.

AGENTIC AI WORKSHOP

8th August 2026

9:00 AM – 4:00 PM

Offline

In this phase, participants will explore Agentic AI concepts, AI agents, modern workflows, and hands-on implementation to prepare for the product build sprint.

PRODUCT BUILD SPRINT

9-14 August 2026

Virtual

LIMITED SEATS ONLY

5K PRIZE POOL

150 Rs REG FEES per person

REGISTRATIONS OPEN ON 3rd AUGUST

Agentic AI Product Build Sprint is a technical event by the Department of CSE (Data Science), Christ College of Engineering, Irinjalakuda. It features an Agentic AI workshop led by an industry expert, followed by a virtual product-building sprint where participants develop AI-powered solutions with continuous mentor guidance.

Event Schedule

8 August 2026

Agentic AI Workshop

(Offline | 9:00 AM – 4:00 PM)

9–14 August 2026

Event Highlights

Prize Pool: ₹5,000

Registration Fee:

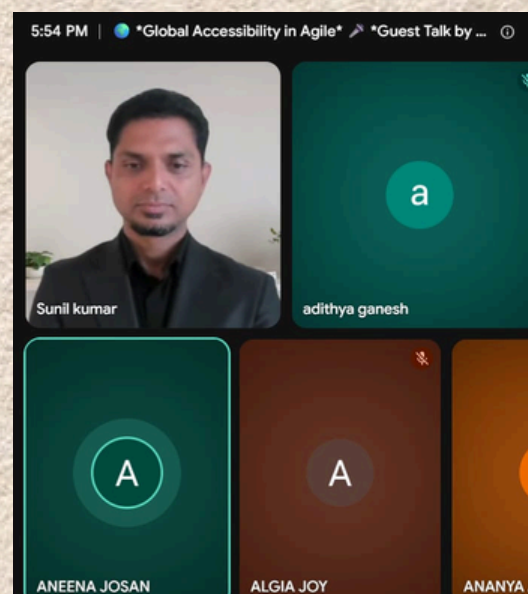

₹150 per

Participant

Limited Seats

The CCE ACM Student Chapter successfully conducted a guest talk on **“Global Accessibility in Agile”**, led by Mr. Sunil Kumar Suvvari, Software Engineering Manager at Bank of America and IEEE Senior Member.

The session provided valuable insights into accessibility in agile software development and received an enthusiastic response from 190 participants.

CODE DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Meet CODE

Meet the people behind CODE, discover what's ahead, and be part of the journey.
An evening to connect, collaborate, and grow as one community.

6 | Aug | 2026

2:30 P.M. | Venue: Open Auditorium

Join us for the CODE General Body Meeting 2026, where we'll introduce the newly elected Executive Committee, share our vision for the year ahead, and welcome every member of our community.

Whether you're a first-year or a senior, this is your chance to connect, collaborate, and become a part of what makes CODE more than just a club.

Green Campus Initiative

We are happy to launch our Green Campus Initiative, where we celebrate our staff members' birthdays by gifting them an indoor plant—a small gesture to promote sustainability and spread greenery across our campus.

Today, we extend our heartfelt birthday wishes to **Emilin Miss, Kavya Miss, and Revathy Miss.**

May this special day bring you happiness, good health, and success. Wishing you a wonderful year ahead filled with joy, growth, and new beginnings

We are proud to share that two teams from our institution have been selected to participate in the prestigious IEEE International MYOSA 6.0 Competition, a global initiative by the IEEE Sensors Council
 Team SKYHIGH – Guided by Dr. Needhu Varghese
 Team ELECTRONAUTS – Guided by Dr. Ravishankar A. N.

Contact for Admissions: B.Tech, M.Tech – 9497707439;
 MBA – 8137049355

We are proud to announce that two IEEE student teams have cleared the ideation phase of the prestigious IEEE International MYOSA 6.0 Competition!

Team SKYHIGH – S7 EEE

Chrysler K M, Jovial Joyson, Henry Bastian V
 Mentor: Dr. Needhu Varghese

Team ELECTRONAUTS – S5 EEE

Joel Robin, Shalwin C S, Athin Jophy, Nikhil Paul Olakkegil
 Mentor: Dr. Ravishankar A. N.

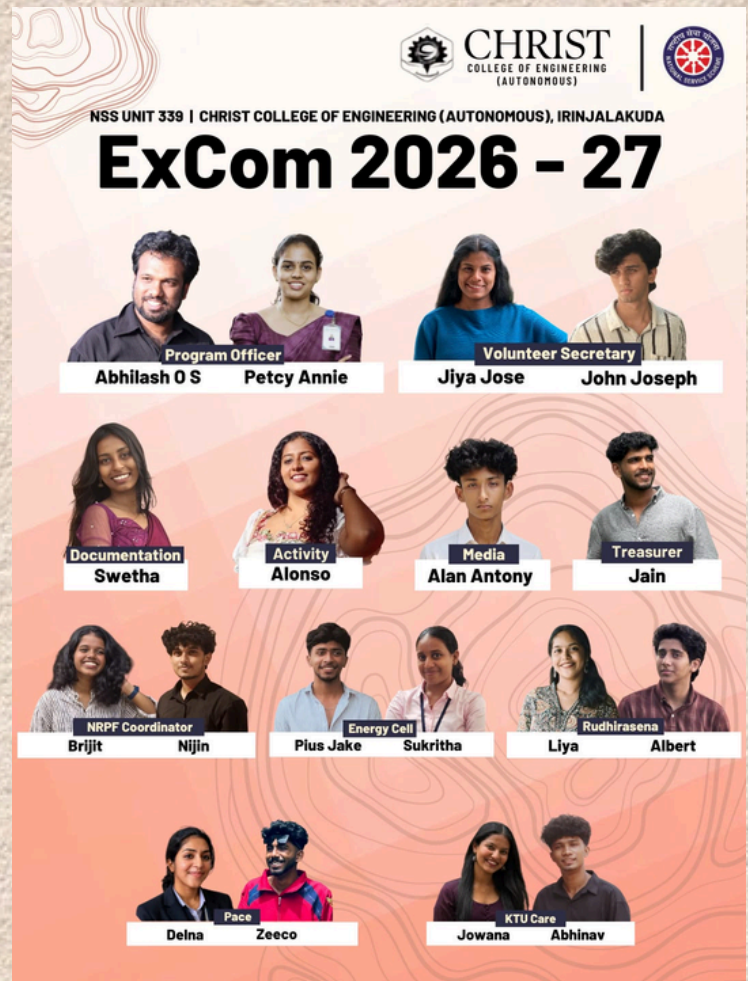

Both teams have received their MYOSA 6.0 Event Kits and qualified for the prototype development round.

Let's congratulate Team SKYHIGH and Team ELECTRONAUTS and wish them the best for the upcoming phases!

Meet the NSS Unit 339 ExCom 2026-27

**Service is about showing up,
uplifting one another, and
working hand in hand to build a
stronger community.**

We are proud to introduce the National Service Scheme (NSS) Unit 339 ExCom of Christ College of Engineering (Autonomous), Irinjalakuda for 2026-27 — the dedicated team leading our volunteers, driving meaningful social initiatives, and fostering a spirit of empathy and active citizenship on campus this year.

Meet the CODE ExCom 2026-2027

**A new year. A new team. The same passion
for building an amazing developer
community.**

We're excited to introduce the Executive Committee of CODE (Community of Developers) for the academic year 2026–2027. From tech sessions and hackathons to workshops, events, and everything in between, this team is ready to make the year bigger, better, and more exciting for every CS student.

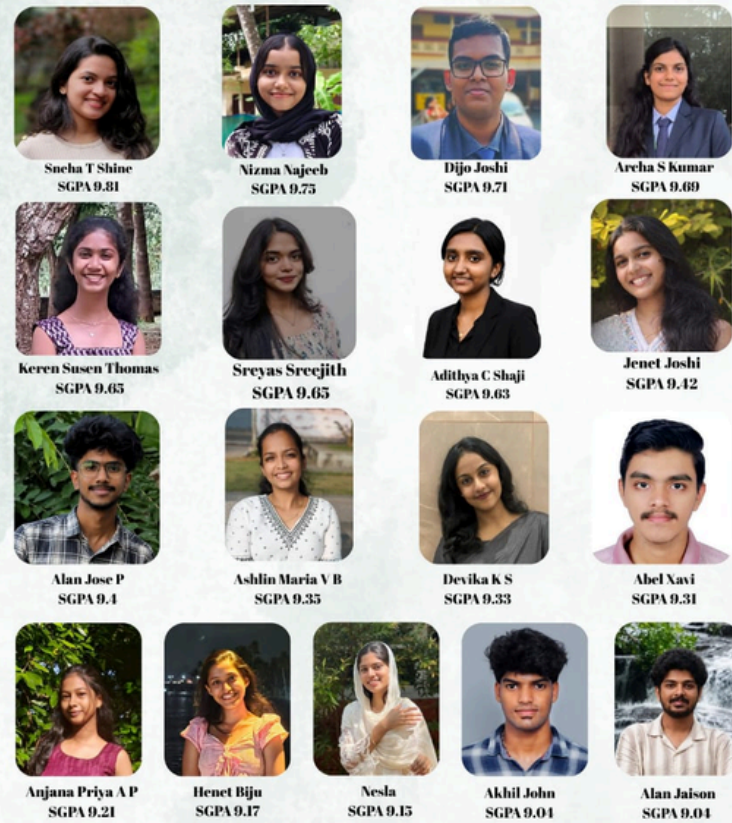

**Here's to new ideas, stronger connections,
and a community where everyone gets the
chance to learn, build, and grow together.**

TEAM ZYRX OF SAECCCE

Society of Automotive Engineers, Christ College of Engineering, has won the AIR 2, All India Rank 2 in the Manoeuvrability Round of BAJA SAEINDIA CHENNAI, conducted by the SAEINDIA Southern Section.

The team was one of nine selected for the Offroad Endurance Race and secured 4th position after completing six laps.

The team successfully cleared technical inspections conducted by industry experts from Bosch, Ford, TI Cycles, and others.

Team members consist of 20 members from S5 ME and 5 members from S3 ME.

Special thanks to Garron Play Arena, Thrissur for being our Technical Partner.

A word of gratitude to College management and faculty of the Mechanical Engineering Department, especially to Anex K P sir for providing all the support to the successful completion of our All Terrain Vehicle.
