LIBRARY NDLI POLICY

A library is a center of knowledge and learning that provides access to books, journals, digital resources, and other information materials to support education, research, and personal development. It serves as an important resource hub for students, teachers and researchers, by promoting reading habits, information literacy, and lifelong learning. It aims to showcase the activities and relevance of the Library and NDLI Club of Christ College of Engineering (Autonomous), Irinjalakuda

NDLI Club

**National
Digital Library
of India**

The National Digital Library of India (NDLI) Club is an initiative established to promote the effective use of digital learning resources among students, teachers and researchers. The club functions as a platform to create awareness about NDLI services and to encourage academic and research activities through digital resources.

OBJECTIVES

1. To promote awareness and effective utilization of NDLI resources among students, teachers, researchers, and library users.
2. To encourage digital learning and support academic, research, and skill development activities through online resources.
3. To support teaching, learning, and research activities by providing guidance in accessing quality educational materials.
4. To encourage reading habits and lifelong learning through digital platforms and library initiatives under the banner of NDLI Club.
5. To create a collaborative learning environment by conducting quizzes, competitions, awareness campaigns, and interactive programmes.
6. To strengthen the role of the library as a digital knowledge and information centre within the institution.

CONSTITUTION OF THE COMMITTEE

Sl. No.	Name	Designation	Position in LAC
1	Dr. Soloman.P.A.	Principal	Chairman
2	Ms. Sreekala T	Librarian	Secretary
3	Mr. Alekh T. N.	Assistant Librarian	Joint Secretary
4	Ms. Angitha Sasidharan	Assistant Professor, Civil Engineering	Member
5	Ms. Revathy G Krishnan	Assistant Professor, Basic Science & Humanities	Member
6	Mr. Prasanth .G	Assistant Professor, Electronics & Communication Engineering	Member
7	Ms. Hima Jose	Assistant Professor, Computer Science & Engineering	Member
8	Ms. Vineetha K V	Assistant Professor, Computer Science and Engineering	Member
9	Ms. Anjali Sasikumar	Assistant Professor, Electrical and Electronics Engineering	Member
10	Mr. Jackwin Vincent K	Assistant Professor, Mechanical Engineering	Member
11	Ms. Kavya K B	Assistant Professor, Business Administration	Member
12	Ms. Elizabeth	Library Assistant	Member
13	Ms. Ajeena Elsittha Joseph	Library Assistant	Member

There are more than 3000 registered members (Faculty & Students) in this club. The club will conduct at least one program every month with the help of each department. The certificates will be issued by MHRD Govt. of India & IIT Kharagpur.
