

# Mr. Haris Thomas

Assistant Professor, Mechanical Engineering

## Administrative Responsibilities

---

- Assistant Professor

## Educational summary

---

- M. Tech. in Production Engineering, Government Engineering College, Thrissur.
- B. Tech. in Mechanical Engineering, Christ College of Engineering, Irinjalakkuda.

## Employment History

---

- Christ College of Engineering, Irinjalakuda from 07/08/2023 to till date, as Assistant Professor in Department of Mechanical Engineering.
- IES College of Engineering, Chittilappilly from 01/09/2022 to 05/08/2023, as Assistant Professor in Department of Mechanical Engineering.

## Journal/Papers Published

---

- “Particle distribution simulation of functionally graded Az91 -Sicp composite fabricated by centrifugal casting”- Haris Thomas, Abdul Samad, Arun M S, Elsevier SSRN 4295526, 2022.

## Areas of Interest

---

- Composites, High Entropy Alloys, Functionally Graded Materials.
-

## Achievements

---

- Won Best Paper Award in Manufacturing Engineering on International Conference on Systems, Energy and Environment (ICSEE 2022).
- Guided a project named “Low Cost Innovative Multipurpose Agro-machine” and got selected for National level project expo “SRISHTI 2k23”.
