

# Ms. Emilin Thomas Kangappadan

Assistant Professor, Electrical & Electronics Engineering

## Administrative Responsibilities

---

- Admission Cell
- Placement cell
- Minor-Honor In-Charge

## Education Summary

---

- B tech in Electrical and Electronics Engineering from Vidya Academy of Science and Technology, Thalakkottukara in 2014
- M tech in Power Electronics from Jyothi Engineering College, Cheruthuruthy in 2016

## Employment History

---

- Working at Christ College of Engineering since 2017

## Journal/Papers Published

---

- “Interleaved buck converter with continuous supply current using OCC technique”, IEEE Proceedings of International Conference on Electrical, Electronics and Optimization Techniques 2016. - Link: <https://ieeexplore.ieee.org/document/7755282>

## **Specialized Trainings**

---

- AutoCAD

## **Areas Of Interest**

---

- Power Electronics
- Renewable Energy Systems

## **Achievements**

---

- Qualified GATE 2017 – GATE score: 375
- Received the “Best Paper Award” in the International Conference on Recent Advances in Electrical Engineering (ICRAEE 2016) held on April 18th -19th 2016.
