

Ms. Iris Jose

Assistant Professor, Computer Science & Engineering

Administrative Responsibilities

- Timetable Committee Head
- Faculty Advisor of 2021-2025 Batch
- Staff Grievance Redressal Committee Member
- Programming Lab in-charge

Education Summary

- PhD(pursuing) from Amrita Vishwa Vidyapeetham, Coimbatore
- M. Tech in Computer Science and Engineering, BTL Institute of Technology(VTU), Bangalore
- B. Tech in Information technology from Cochin University of Science and Technology(CUSAT), Kalamassery

Employment History

- Assistant Professor in Computer Science and Engineering, Christ College of Engineering, Irinjalakuda(July/2017 to till date)
- Assistant Professor in Computer Science and Engineering, SNGIST, Paravoor(April/2016 to June/2017)
- Assistant Professor in Information Science and Engineering, RNSIT, Bangalore(August/2014 to March/2016)
- Lecturer in Computer Science and Engineering, Oxford College of Engineering, Bangalore(August/2008 to February/2009)

Journal/Papers Published

- Presented a technical paper titled “Efficient Discovery of Classification Rules in Datamining using Genetic Algorithm” at 2nd national conference on Recent Advances in Technology and Engineering held on 27 & 28th March, 2013 at T.John Institute of Technology, Bangalore
- Presented a technical paper titled “ Discovery of Classification Rules in Datamining using Genetic Algorithm” in the national conference Decision Support and Big Data(NCDSBD-13)

Specialized Trainings

- Five day FDP on Programming with PL/SQL organised by by ICT Academy of Kerala, in association with Oracle Academy at Saintgits College of Engineering, Kottayam – 2nd to 6th May 2016
- Five day FDP on Design and Analysis of Algorithms organised by Sahrdaya College of Engineering and Technology, Kodakara – 27th November to 2nd December 2017
- Five day FDP on Android Development Fundamentals by Google Developers in association with ICT Academy of Kerala at Adi Shankara Institute of Engineering and Technology, Kalady – 17th to 21st December 2018
- Five day online FDP on Machine learning and Research Opportunities organised by Sapthagiri College of Engineering, Bengaluru – 15th to 19th June 2020
- Five day online FDP on Inculcating Universal Human Values in Technical Education organised by AICTE– 31st May to 4th June 2021
- Five day online FDP on Artificial Intelligence organised by Lourdes Matha College of Science and Technology in association with IEDC, Thiruvananthapuram – 26th to 31st August 2022
- Five day workshop on Introduction to Augmented and Virtual Reality organised by Dept. Of ECE, Christ College of Engineering, Irinjalakuda – 30th January to 3rd February 2023

Areas of Interest

- Algorithm Analysis and Design
